THE OLD WAY  
AND THE NEW

Some Important Facts Which May Prove Helpful.

Thirty years ago old-fashioned cod liver oil had to be forced down a patient's throat. Invalids couldn't take it and children wouldn't. But the doctors prescribed it, and it had to be taken by force. Yet when enough could be taken into the system it was beneficial, for it has ever been the greatest of all tissue builders and general reconstructors known to medicine.

We are now anxious to have everyone know that Vinol is a new form of this very old and valuable remedy, cod liver oil. It contains in a concentrated form all the medicinal elements of cod liver oil actually taken from fresh cods' livers, but by a new process it is made without oil or grease, and it is as delicious to the taste as a fresh orange.

Vinol does not upset the stomach like old-fashioned cod liver oil and emulsions. Its strengthening and healing properties are remarkable, and both doctors and patients are delighted with its action.

Many wonderful cures right here in Gainesville have been effected by its use, and we ask all of our customers to try Vinol on our guarantee to return money every time it fails to make rich, red blood, increase the appetite, cure stomach troubles, give strength and renewed vitality to the aged, run-down, tired and debilitated, or cure chronic colds, hacking coughs or bronchitis. day to hear a sermon from their former pastor, Rev. E. W. Way, who is now located at Dalton, Ga. Mr. Way demonstrated the fact he has lost none of that forceful eloquence he possessed here and his discourse was full of interest from beginning to end. He expects to return to his home today.

Mr. and Mrs. L. L. Sandborn and daughter, Miss Helen, arrived in the city Sunday from their summer home at Appleton, Wis., accompanied by Mrs. Mary Sweetzer and Mrs. F. E. Renner and son, Elmer. They were delayed by an accident on the Southern in Georgia, but their train was not in it. The latter three of the party expect to spend the winter here. The Sandborns are pleased to get back again, and report pretty cold weather in Wisconsin.

The sermons of Dr. Strouse at Kavanaugh Methodist Church on Sunday morning and evening were both very fine and impressive. In the morning he preached to children and parents one of the best sermons we ever heard on "The Religious Training of Children." The evening discourse was from the text: "Come let us reason together." There were large congregations at both services. Dr. Strouse will preach every night this week at 7:30 o'clock and in the afternoon at 3 o'clock. All are invited to attend.

## PROMINENT VISITOR HERE.

Ex-Lieutenant Tillman of South Carolina Here Attending Court.

Among the prominent visitors to Gainesville this week is Hon. James H. Tillman of Edgefield, S. C., who is here for the purpose of defending James Henry, charged with murder. He is accompanied by his bright little nephew, George Tillman Bailey.

Few men in the Palmetto State are more widely known or more popular than James H. Tillman, who has had the honor of serving his people in the high position of lieutenant-governor. He is a gentleman possessed of that hospitable Southern nature which is bound to make friends anywhere and any time. He is regarded as one of the ablest lawyers in his State, and speaks in a most interesting manner.

Col. Tillman paid Gainesville a visit in the spring, upon which occasion he made many friends. "I think Gainesville is one of the prettiest towns I have ever seen," he remarked in the lobby of the Brown House to a party of friends Monday night. "I so much admire your broad, beautiful avenues and streets, and your grand, stately old oaks, some of which must have been here for ages. I note, also, a big improvement in the building up of your town, which alone is ample evidence of the thrift and energy of your people."

Col. Tillman has associated with him in the case referred to Attorney Robert E. Davis of this city and it is needless to add that it is a good team.

A Live

Every nerve is a live wire connecting some part of the body with the brain. They are so numerous that if you penetrate the skin with the point of a needle you will touch a nerve and receive a shock—pain it is called. Aches and pains come from a pressure, strain or injury to a nerve; the more prominent the nerve the greater the pain. When the pain comes from a large nerve it is called

## Thousands Have Kidney

## Trouble and Never Suspect it.

## How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

## What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When you get Swamp-Root, writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
